Learn Your Colors!

Coloring Activity

What better way to learn your colors than by coloring? Students will familiarize themselves with each color by completing these coloring pages. Each page features objects and animals of 11 different colors. Break out your crayons, markers, colored pencils, whatever you'd like!

What's Included

- Individual coloring pages for 11 colors
 - Red, blue, yellow, green, orange, purple, brown, pink, black, white, gray

How to Prepare and Use

1. Print your preferred coloring page.
2. Provide the student with art supplies in the color being practiced (e.g. crayons, markers, colored pencils, stickers, paint).
3. Color and have fun!

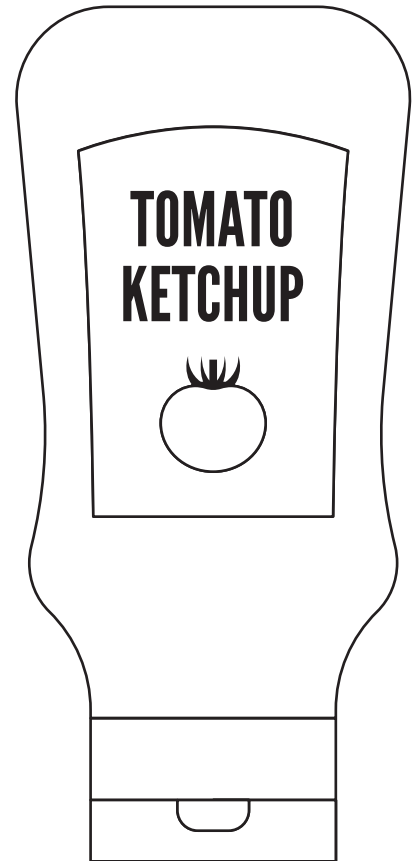

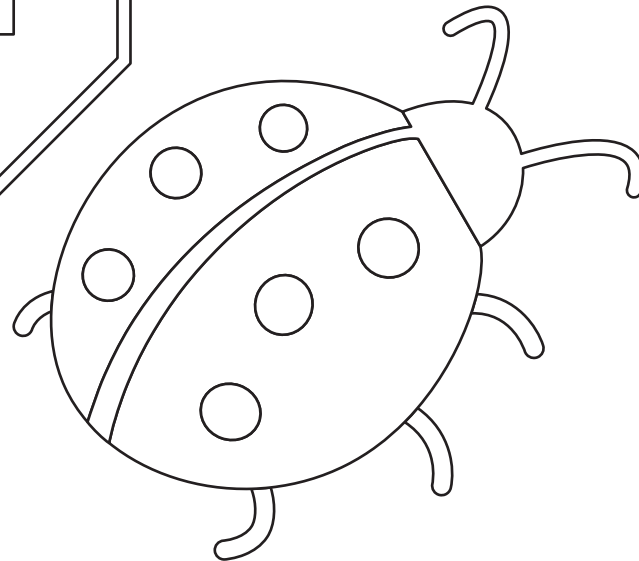

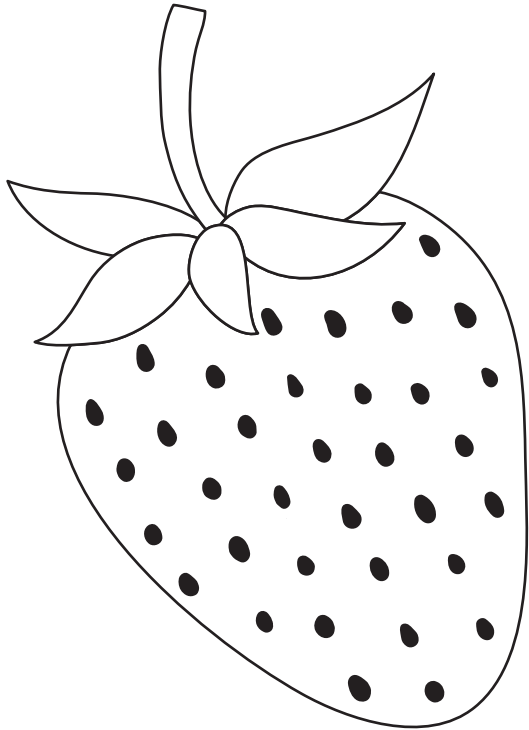

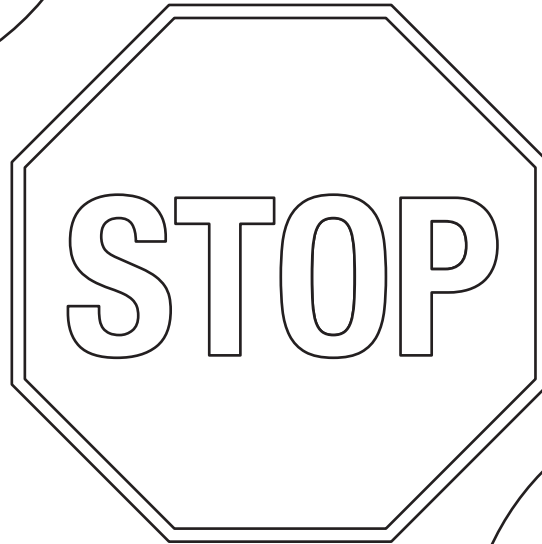

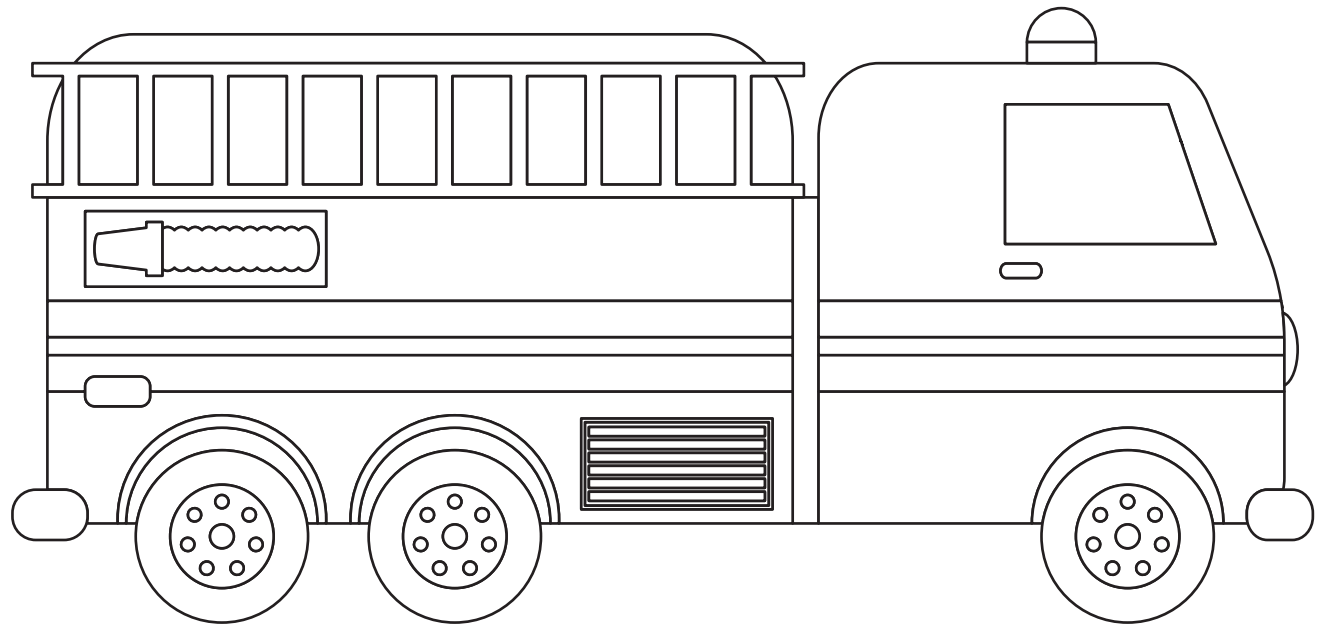

Bonus Tip #1

For the “white” worksheet, consider using white stickers, white paint, or gluing on white objects such as marshmallows or cotton balls in lieu of coloring.

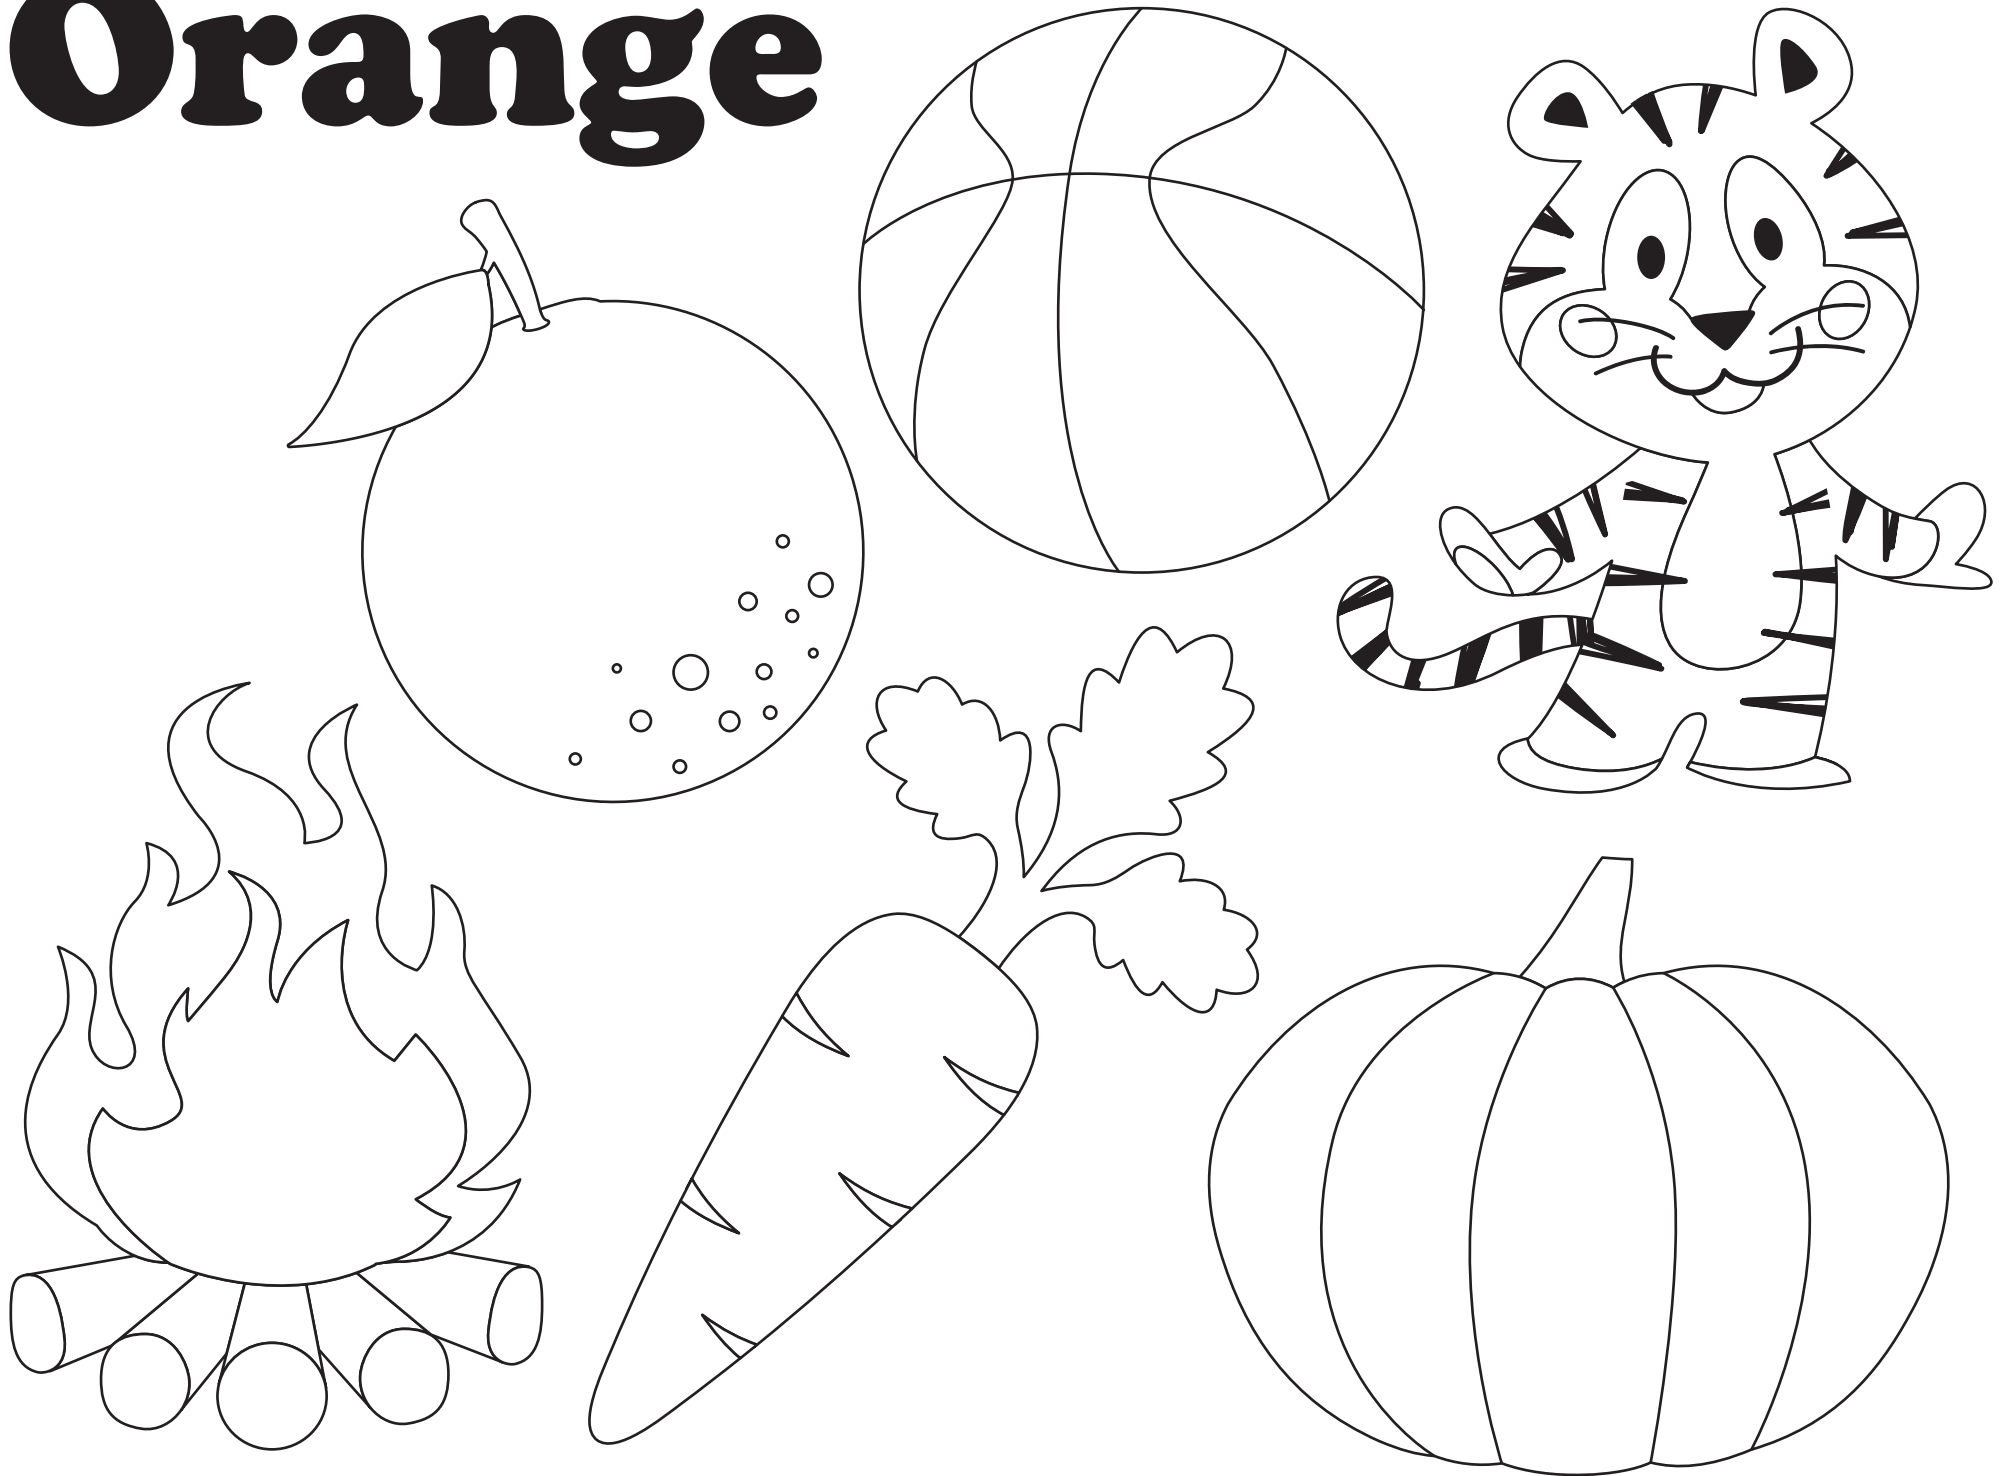

Bonus Tip #2

Laminate the coloring page and give the student play doh of the color being practiced.
